Assisted Living at The Highlands Helps Maintain Your Independence

The Highlands at Westminster Place is designed for older adults who need some extra support with daily activities in order to maintain their independence.

At The Highlands, our professional, caring and well trained staff provide care and services tailored to each person's needs. If you need help with dressing, bathing or managing medications, our onsite licensed nurses and resident assistants are available 24/7.

The Personalized Support You Deserve

At The Highlands, we don't believe assisted living and independent living are mutually exclusive. We've designed our assisted living program to help residents stay as independent as they can while remaining safe and comfortable.

Our staff provides a compassionate, intuitive way of caring. We build meaningful relationships with residents, the kind that create trust and lead to better care. The Highlands offers a variety of living options for older adults, including studio, one- and two-bedroom apartments.
